Rental Agreement

Online Revival Ltd loans the following item/s for use in your production as listed in this hire agreement. By accepting these items, you (on behalf of your organisation, if applicable) are personally responsible for the items loaned, and agree to the following:

Online revival Ltd act as authorised representatives to the owner of the hired items

All borrowed items must be kept in a safe and secure location at all times.

All items must be returned in the same condition as they were when they left prop storage (excluding “normal wear and tear”). “Normal wear and tear” is defined as “That physical deterioration which occurs in the normal course of the use for which a property is intended, without negligence, carelessness, accident or abuse of the premises (or equipment or chattels) by the occupant, members of household, or their invitees or guests.”

If modifications to a prop are desired, permission must first be obtained from Online Revival Ltd. Any “modifications” made without prior permission will be considered damage, and repair or replacement charges will be assessed and levied.

If an item is damaged while on loan, do not repair it without first getting the permission from Online Revival Ltd. The owner or authorised representative must be notified as soon as possible after any item is damaged. Please do not wait until the end of your rental to let us know.

Electrical goods are supplied as props and not for use as originally intended. The responsibility for the safe use of items rests with the customer and we highly recommend that all are checked prior to use.

To the fullest extent permissible by applicable law, the Customer acknowledges and agrees that: No warranties (whether expressed or implied) are given with respect to the goods and that all liability and responsibility for their use rests with the Customer (even if the Customer has given notice of the intended use of the goods): and all the hiring company’s liability with respect to the goods and their use by the Customer is hereby excluded.

The borrowing person / organisation is responsible for the replacement value of any item that is stolen, lost, or damaged beyond reasonable repair while on loan. Damaged items must be returned to, and remain the property of the owner even after the replacement cost has been paid (or replacement item has been provided).

All items must be returned on or before the date specified on this form. Props must be checked in by the owner or their authorised representative. A late fee at the discretion of the owner or their authorised representative may be

incurred for any item not returned by the appointed date and time. Extended hire charges and loss & damage invoices are payable by return.

The borrowing person/organisation is responsible for all shipping fees, pick up, and moving arrangements.

We reserve the right to request a deposit against any order(s) placed with us.

Where Props are taken out of the country we will require a deposit.

A minimum Hire charge of £25.00+ VAT is applicable to each contract.

Any account where cheques are returned or payments not cleared will be subject to an administration fee of £25.00 + VAT and may result in the refusal of certain payment methods in the future.
